WORK EXPERIENCE

Training Ruchi Soya

01/2020 - 12/2020

Haldia

Achievements/Tasks

- I have done vocational training in this company

PERSONAL PROJECTS

Smart Water Monitoring System Using Wireless Sensor

- To make drinking water safe and readily available in almost every part of the world, we have made this project. This system doesn't require any human interaction for operations. we can install it in any remote area like deserts, terrains, or forests. monitoring the system is also easy.

ACHIEVEMENTS

participate in college event
